Percent of expenditures for teacher salaries*	64.7%	Up from 64.6%	62.7%	64.2%
% of AYP objectives met	76.5%		76.5%	85.7%

\* Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	17	49	13
Percent satisfied with learning environment	82.4%	91.8%	92.3%
Percent satisfied with social and physical environment	94.1%	87.8%	69.2%
Percent satisfied with school-home relations	82.4%	89.8%	84.6%

\*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Midway Elementary’s faculty and staff seek to create a warm, family-like atmosphere for our students, parents, and community. The mission of Midway Elementary School, in collaboration with the home and the community, is to develop each individual’s uniqueness and to prepare confident, technologically proficient, lifelong learners by providing challenging educational experiences in a safe environment.

To ensure the academic success of our students, we offered several programs geared to their needs. We continued to use SOAR to Success and Early Success programs to promote literacy. SOAR to Success is a small group intervention program designed to improve reading comprehension for struggling readers in third through fifth grade. Early Success is a small group intervention program designed to improve phonemic awareness and comprehension for students in first and second grades.

Our faculty and staff are committed to improving our efforts to increase student achievement. Teachers participated in a variety of professional development opportunities in order to create innovative and challenging classrooms. Our teachers received additional support from a full-time science and technology curriculum coach. Teachers met with the coach regularly to discuss South Carolina Standards and teaching strategies that integrate technology and to incorporate more hands-on science in the classroom. The Kershaw County School District has implemented a major technology initiative. Midway Elementary has purchased Smartboards, digital projectors, and laptops for every classroom through Title I and Alternative Technical Assistance funds. Our school continued to use different modules of Investigations in Number, Space, and Data in kindergarten through fifth grade. Investigations is a research-based curriculum supplement designed to increase mathematical thinking. Each grade level also used FOSS Science Kits as a part of their science instruction.

Our parents are encouraged to visit our school and conference regularly with teachers. We conduct a Back to School night to familiarize parents with their child’s classroom and teacher. Family Literacy Night, Family Math Nights, Science Nights, Grandparents Luncheons, Donuts for Dads, Muffins for Moms, Open House, and After-School Program are examples of family involvement activities.

Our school is undergoing a major renovation project this year. Our students will have the privilege of participating in P.E., music, and art in a new facility next year. All classrooms are getting a fresh look with tile, paint, white boards and HVAC units. In addition, a new roof will complete the school renovation project.

Midway Elementary’s faculty, staff, and parents were proud to see that all of our hard work resulted in our school receiving the Palmetto Silver Award for the second consecutive year. This award was based on students’ improvement on PACT scores. It is our school’s desire to form a strong partnership between students, parents, and the community to make Midway Elementary School a place where each child excels.

Comprehensive detail, including definitions of rating, performance criteria, and explanations of status, is available on [www.ed.sc.gov](http://www.ed.sc.gov) and [www.eoc.sc.gov](http://www.eoc.sc.gov) as well as school and school district websites.
